

Auxiliaries in Action

A Publication of the Arkansas Hospital Auxiliary Association

July/August 2023

**2022 - 2023 AHAA President
Judy Shaffer**

Dear Friends,

It is hard to believe that 2023 is already half over. With summer weather and heat in Arkansas, we have a hard time focusing on what will happen in November ... BUT our Convention is 4 months away and we are looking forward to seeing you all in Little Rock at the Embassy Suites on November 1-3, 2023 for our Convention. AHA/AHAA opening session will feature Boomer Esiason, former quarterback with the Cincinnati Bengals and now a sports announcer for the NFL.

Carol Shoptaw, Convention Chair, and the Convention Committee have worked hard to make this Convention fun and educational. The theme for Thursday evening will be 'Cruising the World' so dress will be casual and cruising style. There will be a Trivia game Thursday evening on the history of AHAA. Keep your Handbooks handy.

I hope that all of you turned in your Awards by the due date, July 1, 2023. They were to be mailed to Carol Shoptaw, Convention Chair. The Award of Excellence was to be mailed to Judy Shaffer, AHAA President.

You all should have the Convention Registration by now. If not, you can access the Registration Form on our website, www.arhauxiliaries.org.

NOTE: The September AHAA Board meeting will be held on Thursday, September 7, 2023, which is the 1st Thursday of the month. The AHA Board meeting is on Friday, September 8, 2023.

Enjoy the rest of your summer and stay cool and safe. You volunteers are so appreciated for all you do and what you bring to our organization.

Looking forward to seeing you all at the Convention!

Love you all,
Judy

Bylaw Changes

Please note the Bylaw changes for 2023 - 2024

Submitted by Mary J. Frauenhoff, Bylaws Chair

Policies and Procedures section, page 42, number 11, the last part says:

When they travel to the **spring and fall district meetings** and for the three (3) days of the SAL Conferences.

It should read: When they travel to the **spring district meetings** and for the three (3) days of the SAL Conferences.

There is another section: page 42, Newsletter, number 2. The webpage name has changed.
www.arhauxiliaries.org

Linda Butler and I have talked about this and have agreed that this is a change that does not need to be voted on. It is an update of information.

State Projects: The board suggested that it be worded something like this: **None of the state project materials should be sold to the general public, but may be presented as a program by an Auxiliary or member of an Auxiliary and handed out for free.**

The statement be placed on page 50, just under the heading state projects in **BOLD** print.

BHMC-NLR Auxiliary have had a busy few months. In April we hosted the Metro District Spring meeting. It was wonderful to see and network with the Auxiliaries that could join us. We were inspired by Mrs. Jill Winholt with her scrapbooking presentation. In May we installed our officers for the BHMCONLR Auxiliary. Ron Plate, President, Becky Finley, Vice President, Marilyn Powers, Secretary, Ara Yanker, Treasurer, Judy Davis, Corresponding Secretary, Carolyn Wenger, Historian. At the Auxiliary meeting in May we had the "Blessing of the Hands" by our BHMC-NLR Chaplains. That was such a special moment. We also recognized Judy Davis with the Lifetime Membership Award. She has really gone above and beyond with her service here at BHMC-NLR. In June we hosted a fundraiser with Read's Uniform from TN. They were a great couple to work with and offered our staff a quality product. We have had a couple volunteers return and a new volunteer is going through the on boarding process. Hope and pray everyone has a safe and blessed summer.

Phew! Summer is definitely here!

Baxter is booming with babies as we received another shipment of sleep sacks to present to newborns. We support Safe Sleep by providing the Women and Newborn Care Center sleep sacks to give to our newborns.

We took 8 people to the North Central District Meeting in hosted by White River Health in Batesville.

We installed new officers at our annual Appreciation Banquet for our volunteers was in May. The dinner was very good and door prizes as always exciting and a lot of fun.

We participated in Nurses Day by providing prizes for some of the activities from the Pink-a-dilly gift shop.

Also, we celebrated Hospital Week with special hospital wide lunch. Then, the Pink—A-Dilly Gift Shop offered a special discount on purchases during hospital week.

Baxter Health Logo items are still a big seller in the Pink-A-Dilly.

We also hosted the North Central District Presidents' meeting. Our District President Mary Catherine was very informative on filling out forms so they will not be rejected.

Thanks to gracious donors and hard-working volunteers, Karla (Mountain Home Bargain Box Manager) has loaded up a couple houses with items going to the bargain box.

The Highland Oncology Center at Baxter Health has officially opened. This is a great service to the community and surrounding area patients who will not have to travel to receive cancer treatment.

The Selection Committee has started to meet to work on the future slate of officers for the Auxiliary.

Ways & Means hosted Anita's Accessories in June and plan to host Paper Pine Learning Book Fair in July.

There were about 15 volunteers who helped our Medical Assistant Residency program by volunteering as patients in the Ed and Gayle Goodman SIMS Lab. This gave the new graduates an opportunity to practice their skills. It also gave the volunteers an opportunity to see the SIMS lab in action.

The hospital has sent a coupon out to our volunteers to redeem in the cafeteria as a recognition gift – a sweet treat! Volunteers can pick out either an ice cream treat or a dessert from the cafeteria.

May you find cool breezes this summer.

Summer is Here! The Gift Shop has been open the regular hours now for several months and the workers are all working regular hours.

At the April meeting the officers for the year were installed. They are Betty Spencer, President; Roger Hooper, 1st Vice President; Jeanie Hooper 2nd Vice President; Deborah Sisson, Secretary and Bobbye Bennett, Treasurer, and The Gift Shop Coordinator Debby Collings. Mary Catharine Propes installed the officers at our April meeting.

Service awards were presented by Hospital Administrator Mr. Deaton to Loyd and JoAnn Holley both received pins for 15 years service; Debby Collings and JoAnn Holley had 2,000 hours of service; Scott Spencer had 9,000 hours of service and Betty Spencer had 14,000 hours.

Roger Hooper, Helen Dobbins, Barbara Sisson, Deborah Sisson and Kristi King attended the District meeting.

At the April meeting the Auxiliary was given a special luncheon in honor of National Volunteer Week. April 6th we held the first uniform sale with a new vendor "The Uniform Shoppe."

For several months the Gift Shop had held a 10% off on all sales over \$10.00. That appears to be a somewhat profitable sale.

This year we held the "Mother's Day Tea" and the Fathers' Day ice cream social. We served Punch and Cookies for Mothers Day and The Fathers were treated to Root Beer or Coke Floats. I think this was enjoyed by all.

And again this year in November we will hold a Silent Auction of gift baskets. This was a very profitable undertaking last November.

Thanks for all the helping hands and praying hearts!

THANK YOU FOR VOLUNTEERING!

Past Events

May

The Nurse Appreciation Tea was held on May 5, the Auxiliary served sweet treats and ice tea to all the nursing staff to thank them for their helping, healing hands and kindness to all that come through our FCMC doors.

May 24, Auxiliary Meeting

New Auxiliary Officers for 2023-2024 voted in as follows:

- Ronnie Nix will remain the Auxiliary President
- Dorothy Faulkner will be the Vice President/Parliamentarian
- Judy Armstrong will remain the Treasurer
- Eileen Snider will remain the Assistant Treasurer
- Faye Caldwell will be the Secretary
- Victoria Harris will be the Assistant Secretary
- Dot Gores will be the Corresponding Secretary

Auxiliary membership dues were collected and reminder due date letters were sent out to members that were not in attendance.

Eileen Snider and Ronnie Nix met with the East Arkansas Community College (aka: EACC) Nursing staff to start discussions on Nursing scholarships. FCMC Auxiliary has started receiving nursing applications to date and will convene a committee to make application selections and determine scholarship funding amounts.

Eileen Snider spoke to Dr Ballard about the parking lot near the Gift Shop entrance to see if more handicap signs can be placed as more and more staff are parking there and disabled guests/staff are having to park and walk from the parking lots that are further away from the more convenient entrance lot. Dr. Ballard agreed to let medical staff know that parking in the designated parking lot as mentioned above was only for the disabled/handicapped visitors with possible more signage being placed in the near future.

Judy Armstrong discussed needing help with buying supplies and suggested Auxiliary start taking “buying turns” or to look seriously into having supplies delivered from vendors. TBC.

May 25 – Thanks to Wilma Powell and Eileen Snider for help with registering donors for the Blood Drive.

June:

June 28 Auxiliary Meeting – Wilma Powell presented the new 2023-2024 FCMC Auxiliary Officers as listed above at the installation ceremony today. She gave the new Officers a flower with a color-coded ribbon that represented the roles the officers would be practicing during their term.

Lyndsay Randle, (Summer return volunteer), Lavenna Proctor and Jean Moore were welcomed as new volunteers at today's meeting and we are so happy to have them on board. Welcome!

The Bradley County Medical Center Auxiliary would like to recognize Jane Weier, for her donation of homemade stuffed animals to the ER and Radiology Department. Jane keeps both of these departments supplied with stuffed animals year-round. It is members like Jane that enables the BCMC Auxiliary to support our hospital and the community.

The Auxiliary Board met in May to discuss activities to be held over the next several months. For our community outreach program we will be collecting non-perishable food items to be donated to the Fairview United Methodist Food Bank. The collection of items will run the entire month of June and taken to the food bank the beginning of July. We are considering snack items for the local school backpack programs in August and may partner with a community group on toys for the holidays. Our Auxiliary continues to support the State projects especially HELP and Broyles Alzheimer books.

OCMC Auxiliary has 25 active members and an OCMC communication advisor that will be helping recruit members from media such as; local free ads, free radio spots. Of course face-to-face conversations with friends, relatives and community groups is the most effective form and the members are encouraged to make just such contact.

The Annual meeting was held June 13th. OCMC Compliance Officer, Joe Michael Givens was the speaker and installed the Officers. The 2023-24 Officers are as follows: Treasurer, Dorothy Berley; Secretary, Jackie Hern; Vice President, Greta Davis and President, Jerry Berley. Four Members-at-large were voted in; Donna Lowery, Marilyn Bridges, Tina Raine and Linda Passafiume. A check was presented to OCMC for \$10,000 to apply toward our \$300,000 new bed and fetal monitoring system committed to years ago. We are proud to say our balance after this check is \$18,000.

The new gift shop coordinator resigned and a new coordinator is on board – Misty Hern. Misty's mom Jackie has been a member for several years now. Jackie and longtime member Donna Lowery have been decorating the window for several years and have agreed to continue to help Misty all they can in the gift shop. Misty along with Jackie and Linda traveled to the Dallas Market in June. Our gift shop is doing well and like all the Auxiliaries Statewide hopes to continue well into the future.

Our next fundraiser will be a Scrub Sale July 27-28. We are using "The Uniform Shoppe" out of Mtn. Home. The employees and Administration are very pleased with their professionalism, product and promptness. Our fall fundraiser will be the "Gift of Life in Lights". This was our major fundraiser before Covid. We hope that our outside tree of lights can once again sparkle in the evening during the Holidays. The proceeds from the Gift of Life in Lights is used towards our scholarship fund.

We have received \$75 in Memorials since March and are very thankful no members have passed away in the May or June.

Big news!!! The OCMC Auxiliary newsletter had not been printed since March 2022's issue. Long time editor Daphne Bennett, for health reasons, resigned. Members Linda L Passafiume and Tina Raine agreed to act as Co-Editors to produce the Newsletter and update the yearly History of the Auxiliary, which first was published in 1999. Thanks to Linda and Tina stepping up a six (6) page June 2023 Newsletter was produced and mailed to all members, District Chair and State President and President Elect.
